SHRI AMBAJI TEMPLE
MAHA NAVRATRI MAHOTSAV
2015

Symbolizing victory of positivity over negativity, Navratri literally means 'nine nights' in Sanskrit; Nav - Nine and Ratri - nights. During these nine nights and ten days, the three forms of the goddess - Durga, Lakshmi and Saraswathi - are invoked.

This all-inclusive power supports us and brings out the divine quality in us. This can happen only when we are doing our sadhana. These nine days are a reminder to be a good sadhak (seeker) and of course, none of this can even stir without the grace of the Master and we are very fortunate to have his grace in abundance. It is said in the scriptures that one can realize the Self through sadhana, seva and satsang.

These nine days are an opportunity to be completely in sadhana, seva, satsang and we pray that the grace of Mataji be always with us.
